Tummino, et al. v. Hamburg, et al.
CV12-0763 (ERK)

Dear Dr. Johnson:

I am in receipt of your letter requesting that I "stop" the decision of Judge Edward Korman regarding Plan B One Step Emergency Contraceptive by "appealing" it.

Please be advised that my position as Chief Judge gives me no authority to reverse a decision of a judge of my court nor do I have standing to appeal it. A challenge to that decision can only be made by one of the parties by an appeal to the Second Circuit Court of Appeals.

Very Truly Yours,

/s/ CBA

Carol Bagley Amon
Chief, U.S. District Judge

cc: Hon. Edward R. Korman, U.S.D.J.
